## Barney Joy May Play On The Coast

THE BIG PITCHER OF THE H. A. C. TEAM IS TO BREAK INTO COAST LEAGUE NEXT SEASON.

Barney Joy is about to break from the ranks of the sugar cane players and journey to the coast where he will try and break into fast company among the coast league players.

Charlie Falk who has been Barney's manager for many moons was the authority for the statement that Joy was to go to the coast next year. He expects to hear great things of his protégé after he has been among the Pacific Coast ball tossers for a while.

Barney has made good among the local ball players and he will probably make a big showing on the coast. He can play ball and if he will only hold his own after getting started he will make good there even as he has here. Here's luck, Barney!

A second attempt to pull the transport Sheridan into deeper water will probably be made tomorrow. Some pig iron is being removed from the vessel and some coal and water also remain in her. The water will be pumped out and the coal jettisoned before the attempt to haul her off the reef is attempted.

## M'CLANAHAN'S NOMINATION INTERFERED WITH A DEAL

CHARLIE NOTLEY MADE A DEAL WITH THE HAWAII COUNTY DEMOCRATS TO GET THEM TO PULL HIS POLITICAL CHESTNUTS OUT OF THE FIRE—PALMER WOODS PRESUMABLY A BENEFICIARY OF THE DEAL.

E. B. McClanahan's candidacy for the delegateship is creating a curious situation in Democratic politics, especially on the island of Hawaii. Charlie Notley, who is the president of the Home Rule party and also its candidate for congress, made what is considered a very shrewd bargain with the Democrats of Hawaii—that is shrewd from his point of view.

Though declining everywhere against fusion between his party and the Democrats, he has done a little fusing on his own hook and for his own advantage. He made an agreement with the Democrats of Hawaii that the Democrats should not put up a candidate for Delegate to Congress, and in return that the Hawaii Democratic County ticket should have some aid from the Home Rule party. The result of this of course, he calculated would be to give him a large number of votes for delegate, that would otherwise go to the Democratic nominee.

Of course the Hawaii Democrats had no authority to enter into any such agreement as that, but they did. When the Hawaii County delegation to the Territorial convention reached Honolulu last Saturday, they announced their intention of opposing the nomination of any candidate for delegate. This fact was published in the Star that day. It was thought at that time

## REV WADMAN BACK FROM THE EAST

PASTOR OF METHODIST CHURCH WILL SOON HAVE TWO ASSISTANTS IN THE WORK HERE.

Rev. J. W. Wadman, the pastor of the Methodist church of this city, returned this morning from a trip as far east as Ohio. While he was gone he was present at the marriage of his eldest daughter and he brings back with him a younger daughter and his wife.

While east Rev. Wadman had consultations with men high in Methodist circles and the situation of the church in these islands was thoroughly discussed. Two assistants will be sent to Rev. Wadman in the near future. One to assist him in the English work and the other to carry on the work with the Koreans so ably started by Dr. G. Heber Jones during his residence here as acting pastor.

Bishop Hamilton is to come here in December to hold the annual conference of the church and outline plans for the advancement of the church.

A letter has been written by Chief Clerk C. R. Buckland of the Secretary's office, to Chairman George W. Smith of the Board of Supervisors, suggesting that in view of the extra work which county tickets will cause in the election count, the county should give some assistance.

## NEW SECRETARY FOR Y. W. C. A.

MISS MOYER OF SACRAMENTO ARRIVED TODAY TO TAKE CHARGE OF WORK.

Miss C. O. Moyer, the new secretary of the Y. W. C. A., arrived this morning on the Siberia from Sacramento where she has been engaged for some years past in Y. W. C. A. work. Accompanying her was Miss A. Stuhr, who will assist her in the work. As outlined now, Miss Stuhr will have charge of the boarding house at Englewood, and Miss Moyer will be the general secretary.

Miss Moyer has been most successful in her work in Sacramento building up that institution until it is one of the first of its kind in the State of California. She comes to these islands full of enthusiasm for the work and those who are familiar with her work on the coast predict great things for Honolulu.

Rev. Wadman met Miss Moyer on the Siberia and was able to give her many valuable suggestions as to conditions here.

A combined affair by the Y. M. C. A. and the Y. W. C. A. will take place October 24 at which time both Mr. Super, the new secretary of the Y. M. C. A., and Miss Moyer will be welcomed.

## DISTINCTION FOR THE JAP WARSHIP

WILL BE PERMITTED TO FIRE A SALUTE ACROSS UNITED STATES WHARVES IN THIS PORT.

The visiting Japanese training ship Anegawa will have quite a unique distinction. She will be the first foreign warship to fire a salute over the United States wharves at this port. Governor Carter is to visit the vessel this afternoon officially, and will be received with a salute of 17 guns. Permission to fire such a salute had to be first secured from Admiral Very, the naval commandant. He readily granted the Japanese such permission.

Admiral Very, accompanied by members of his staff from the naval station, paid an official visit to the Japanese vessel this morning. The Admiral requested that the usual salute of 13 guns be dispensed with, and his wish was observed.

## BOURBONS GET BUSY

WILL HOLD MEETING TONIGHT AT FOURTH PRECINCT OF THE FOURTH DISTRICT.

The Democrats propose to start their County campaign without delay. Tomorrow there will be a meeting of the Fourth District Club of the Fourth District at San Antonio hall at 7:30 o'clock. E. M. Watson, the president of the club, will preside. C. P. Iauken, the nominee for sheriff, will be present, and address the meeting, and E. B. McClanahan, the delegate to congress, is expected to speak. Other candidates are likely to be present.

Tomorrow night there will be a meeting of the County committee and candidates for a conference.

The County committee held a meeting last night at which Charles Broad, the labor party's nominee for senator, was endorsed, and Joe Fern, the labor party nominee for supervisor, was also endorsed for that office. No action was taken in regard to endorsing D. Kalanokalani, Sr. The sentiment seemed to be to eliminate all fusion with the Home Rulers.

E. B. McClanahan will open his campaign for congress on Monday night at Waiolu. Treasurer R. H. Trent and other candidates and W. A. Kinney will make speeches.

## FATAL ACCIDENT AT THE SHERIDAN

FIREMAN FELL DOWN AN ALREADY DEADLY HATCH THIS MORNING.

Two accidents, one of which is likely to prove fatal, occurred aboard the transport Sheridan last night. There is a peculiar coincidence connected with the probable fatal case for the accident occurred in hatch number 2 where Sailor McDonald met death by drowning some weeks ago.

James Hughes is the name of the man who was probably fatally injured last night or rather early this morning. He was a fireman on the night shift and had charge of one of the donkey engines on the forward deck of the Sheridan. In some unknown manner he fell down the hatch a distance of about 50 feet. The water had been pumped out of this hatch. He sustained a fracture of six ribs on the right side, a rupture of the pleura and lungs which was followed by a general emphysema or passage of air through the tissues. The accident occurred after 4 o'clock this morning. Dr. J. C. Gregory, the transport surgeon, operated on the injured man.

The other accident occurred last night about 8 o'clock. John Hiram, a native stevedore, was the victim. He fell down hatch no. 6, going a distance of about 25 feet. He sustained a concussion of the brain, but Dr. Gregory who operated on him, does not think the injuries will prove fatal.

Both injured men, in charge of Dr. Gregory, were brought to the city this morning on the steamer Iwalani shortly before noon. The native was sent to the military hospital and Hughes to the Queen's Hospital. Hughes is 32 years of age and a native of Ireland. He has been connected with the transport for one trip, and has been a citizen for about 17 years.
